Here are my comments on all the drafts, minus the action memo and backup documents.

This includes the draft letters to PADEP and Cabot as well as the communications materials.

Unfortunately, i wasn't able to work off the OSWER comments on the Q&As so the two sets of comments need to be consolidated.

I think the Q&As need a fair amount of work and raise some important questions that the region needs to clarify.

Shawn -- I'm copying you for information at this point because I assume you'll get a set of consolidated comments later this morning.

I do think we 'll want a call at the end of the day today to discuss plans for tomorrow and review the outstanding issues raised by the various drafts.

I'll have Don organize, if that's ok.

Subject: Dimock Materials

Bob et al. - Attached are the 11 Dimock documents we are looking to finalize. We look forward to your feedback. Per our discussion earlier, Lisa Feldt will be coordinating HQ comments on the Action Memo, associated documents & letters, and Betsaida Alcantara will be collecting HQ comments on communication materials. Please let me know if you have any questions.

Thank you - Shawn
